Homecoming Event Awards Are Announced

Winners in the various divisions of the 1964 Northwest State College Homecoming were announced Saturday night at the dance as follows:

Variety Show, women, first, Alpha Sigma Alpha; second, Sigma Sigma Sigma; third, Phi Mu; fourth, Delta Zeta.

Variety Show, men, first, Tau Kappa Epsilon; second, Wesley Foundation; third, Sigma Tau Gamma, and fourth, tie, Phi Lambda Chi and Phi Sigma Epsilon.

House decorations, women, first, Sigma Sigma Sigma; second, Delta Zeta; third, Association for Childhood Education; fourth, Alpha Sigma Alpha; fifth, Phi Mu.

House decorations, men, first, Wesley Foundation; second, Phi Sigma Epsilon; third, Baptist Student Union; fourth, Sigma Tau Gamma; fifth, Tau Kappa Epsilon.

Beauty, floats, men, first, Sigma Tau Gamma; second, Industrial Arts Club; third, tie, Alpha Kappa Lambda and Wesley Foundation; fifth, tie, Phi Sigma Epsilon and Tau Kappa Epsilon.

Beauty Floats, women, tie Phi Mu and Sigma Sigma Sigma; third, tie, Alpha Sigma Alpha and Delta Zeta.

Jalopies, first, Agriculture Club.

Individual clowns, women, Christy Beal, Delta Zeta; second, Pam Robinson, Sigma Sigma Sigma; third, Elaine McComb, Phi Mu; fourth, tie, Linda Billings and Cathy Bohling, both of Phi Mu.

Individual clowns, men, first, Roger Walker, Alpha Kappa Lambda; second, tie, Ray Maher, Phi Sigma Epsilon, and Alan Scott, Alpha Phi Omega; fourth, Ron Coslarich, Sigma Tau Gamma; fifth, Brownie Pauley, Tau Kappa Epsilon.

Group clowns, women, first, Student National Education Assn.; second, third and fifth, Sigma Sigma Sigma; fourth, Phi Mu.

Group clowns, men, first, Alpha Kappa Lambda; second, Phi Sigma Epsilon; third and fourth, Tau Kappa Epsilon; fifth, Agriculture Club.

Over-all parade competition, men, first, tie, Alpha Kappa Lambda and Sigma Tau Gamma; third, Industrial Arts Club; fourth, Phi Lambda Chi; fifth, Tau Kappa Epsilon.

Over-all parade competition, women, first, Sigma Sigma Sigma; second, Phi Mu; third, Delta Zeta; fourth, Alpha Sigma Alpha; fifth, Student National Education Assn.

Current standings on Supremacy Trophies (to be awarded Nov. 5.) Men: Sigma Tau Gamma 12.5; Wesley Foundation 11.0; Phi Sigma Epsilon 10.5; Tau Kappa Epsilon 10.0; Alpha Kappa Lambda 5.5; Phi Lambda Chi 4.5; Baptist Student Union 4.0; Industrial Arts Club 3.0; Alpha Phi Omega 1.0; Agriculture Club 1.0; Men's Residence Halls 1.0.

Women: Sigma Sigma Sigma 17.0; Alpha Sigma Alpha 12.0; Delta Zeta 12.0; Phi Mu 11.0; Association for Childhood Education 4.0; Gamma Sigma 1.0.

The Queen Reigns

Miss Barbara Knox, a senior from Casey, Ia., was crowned at the 1964 Northwest State College Homecoming Queen following the variety show Friday evening, by Glen Acksel, student body president.

Miss Knox, who was sponsored by the Men's Residence Hall Council, is an elementary and secondary music education major at the college. Included in her activities are Hudson Hall counselor, Music Educators' National Conference, Student National Education Assn., Tower Choir, orchestra, madrigal band and the worship committee chairman for Religious Emphasis week.

The queen also was named second runner up during the Miss Maryville pageant last April.

Queen Barbara's attendants are Misses Celia Thompson, Reanne Johnston, Shirley Moore and Mary Francis Schulenberg.

Queen of the 1963 Homecoming celebration was Miss Sandra Kelly, also an independent candidate.

Following tradition, the new queen and her court waved to the parade crowd from the float made by the Associated Women Students.

Attention

Only a few days remain in which to apply for Fulbright-Hays fellowships for the 1965-66 academic year. More than 900 graduate grants for 53 countries are available through the U. S. Department of State's educational exchange program. Application forms and information for students currently enrolled in Northwest Missouri State College may be obtained from the campus Fulbright Advisor, Mr. James Hurst of the Social Science Department. Completed applications must reach the Institute of International Education by November 18, interested persons must hurry.

Students who wish to apply for an award for study must have U. S. citizenship, at least a bachelor's degree by the beginning date of the grant, language proficiency commensurate with the proposed project, and good health.

Selection will be made on the basis of academic record, the feasibility of the applicant's proposed study plan, and personal qualifications. Preference is given candidates who have not previously lived or studied abroad and who are under the age of 35.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Peace Corps Representative Speaks at MSC

Jerry Fite, of Peace Corps Public Relations and a returned volunteer, spent Nov. 28 on campus telling students what the Peace Corps is doing in 46 countries and how they could personally benefit from the Corps.

In addition to answering questions and discussing the Corps with interested students, Fite distributed pamphlets and bulletins on different phases of the Peace Corps and jobs available to the volunteer. He explained that although 10,000 volunteers are now helping in 46 countries, there are 26 additional countries which have requested aid but no supply of volunteers is available.

Fite told MSC students that out of approximately 1000 volunteer applications weekly, only one in six is accepted. However, about half of all college graduates who apply are accepted. He stated that one reason the Peace Corps is beneficial to college graduates is the great number of scholarships and grants offered by industries and institutions to return volunteers. Also, there is a great demand for married couples.

A former basketball and track letterman at Dury College, Springfield, Mo., Fite, 25, taught physical education and coached in a boys orphanage near the Tunisian-Algerian border. Because of his athletic ability, he was often requested to join Tunisian teams and participate in their regular schedule of basketball, volleyball and track contests. During vacations and weekends, he worked with the Tunisian National Basketball team, helping them perfect techniques and plan strategy in preparation for the 1964 Olympic Games.

In his village, Fite introduced baseball to the orphans and learned German handball and soccer from them. He taught English in the evenings and encouraged the director of the orphanage to allow space for the children to raise pets. A noticeable improvement in the morale and deportment of the students resulted from these extra-curricular activities.

Any requests for information should be addressed to Dr. Charles Koerle, Dean of Students, Northwest Missouri State College, Maryville.

GIRLS' INTRAMURALS

Dr. Kathryn Riddle, sponsor of the Women's Intramural Council, stated that the volleyball and the bowling tournaments are now being organized. The games are played at 4 p. m. on Monday and Tuesday afternoons.

For a team to be eligible to participate, it must have two practice games and have an okay from the nurse.

The girls Intramural Award Dinner was held at the Union Oct. 22. Twenty-six girls and Mrs. Dorothy Walker, Dr. Kathryn Riddle and Miss Bonnie Magill were present.

Kathy Bogdas, chairman of the Intramural Council, presided at the meeting and Miss Magill presented the awards. Plaques were given to: PEM Club for volleyball, Hudson Hall Netwits for basketball and Delta Zeta for bowling. Tiny cups were given to Ceila Thompson and Nancy Evans for first place in the doubles badminton tournament. Karen Kimborgh won a cup for being the singles badminton champion.

The Sweepstakes Trophy was given to Delta Zeta for this year. The trophy is given to the group with the most points from all of the activities. If a group wins the trophy for three years in a row, they get to keep the trophy.

Union Board Group Here Nov. 5

The MSC Union Board in conjunction with the Ford Motor Co., will present "A Folk and Jazz Wing Ding," which will be held at 8 p. m. Thursday, Nov. 5, in the Lamkin Gym.

Tickets for the performance, which will feature the Serendipity Singers and the Oscar Peterson Trio, may be purchased at the business office or at the door the night of the performance.

The Serendipity Singers are composed of seven boys and two girls. They have recorded three albums and have appeared on six "Hootenany" shows. The Oscar Peterson Trio comprises three parts, all male, who have been together for almost five years.

This concert, which is underwritten by the Ford Motor Co., is one of a series of concerts taking place at colleges all over the United States. The idea of Ford is to bring top talent to the schools for a nominal cost to the colleges. Earlier in the year, the Tau Kappa Epsilon fraternity presented a similar program which was an initial success.

CONGRESSMAN HULL SPEAKS AT MSC

Congressman W. R. Hull, jr., addressed the Young Democrats recently at MSC.

Congressman Hull presented a prepared speech on the 88th Congress.

Cheerleaders Organize New Pep Club for MSC

The MSC Pep Club has begun to organize, report the MSC cheerleaders. There are now 30 members in the pep club, and the cheerleaders are conducting the meetings. Miss Bonnie Magill is the sponsor for this organization.

Three meetings have been held and the cheerleaders have been teaching yells to pep club members. Three committees have been appointed—a name committee, a uniform committee, and a constitution committee.

Since the 1964 football season is nearly over, the pep club has decided to wait until the basketball season begins before they become fully organized. However, anyone interested in joining pep club may contact Miss Magill, sponsor, or Linda Chastain, head cheerleader. The only qualification for becoming a member is that each individual must have a two point scholastic average.

The cheerleaders reported

that the pep club has been formed to provide better sportsmanship, more group spirit, and added support for the team.

STUDENT DIRECTORIES RELEASED BY GAMMA SIG

Gamma Sigma Sigma service sorority has finished compiling and has offered for sale 1600 "Student-Faculty Directories".

These directories are designed to aid students and faculty members in reaching others on campus easier. The directories list in alphabetical order the names of faculty members and students along with their home address and school address.

This project has been a service to the campus for five years and in this time the use of the directories has spread to business places and other colleges in surrounding areas.

The directories can be purchased from Gamma Sig members for thirty-five cents.

Cape-'Cat Contest A 'Must Win' Affair for MSC

Coach Ivan Schottel's Bearcat eleven will attempt to bounce back upon the victory trail when they host the Indians of Cape Girardeau in an afternoon game at Rickenbode Stadium.

An estimated 11,300 Homecoming spectators watched the Bearcats suffer their first loss of the season handed them by the powerful Kirksville Bulldogs. The 'Cats are now one jump into the meat of their schedule having played Kirksville and are looking forward to Cape Girardeau and the season's finale against the powerful Springfield Bears.

Last week Cape steam-rolled Warrensburg 23-0 in conference action while Springfield trounced Rolla 49-13. Warrensburg, who has not tallied a point in conference play this season, was clobbered by MSC 34-0 three weeks ago. Cape Girardeau's Indians are coached by Kenny Knox and sport a 2-1 conference record and a 3-4 overall slate, showing marked improvement in their last four games.

Cape Well Balanced

The Indians are a much better team than their record indicates. All-conference fullback Norm Dockins and the passing of Irvin "th toe" Whitehead should keep the MSC defense on their own toes throughout the game. With Dockins and Whitehead in the backfield are halfbacks Jim Ferrell and Wayne Stevens. In last week's contest with Warrensburg, Ferrell scored twice on runs of 12 and 19 yards and Whitehead booted a 28 yard field goal, his fifth of the season.

The Indians line will be outsized by the Bearcats but it is quick and agile. Holding down the interior line will be veteran guards Otto Privette, 220-pounds, and Joe Critchlow, 210-pounds. In the tackle slots are Paul Webber, 225-pounds, and Ray Hennicke, 215-pounds. Over the ball is 195-pound Lee Bauwens. Whitehead's targets will be ends Mike Kelley and John McConnell.

The standings in the MIAA as of last week are:

	Won	Lost
Kirksville	3	0
Maryville	2	1
Cape Girardeau	2	1
Springfield	2	1
Rolla	0	3
Warrensburg	0	3

In last week's action, Springfield's All-America candidate, Cornelius Perry, virtually ran away with the conference scoring lead with four touchdowns against Rolla on runs of 59, 57, 30, and 3 yards for 238 offensive yards. There is now a three-way tie for second place in the conference, and one of the teams will be eliminated in the Cape-Maryville game.

Greek Week

The Delta Zeta pledge class has elected its officers for the fall semester. They are: president, Mary Lou Hilger; vice president, Sheila Schieber; secretary, Roberta Dague; treasurer, Jane Koski; social chairman, Ruth Severson.

Harvest Moon Ball Set For Nov. 14

The 1964 Harvest Moon Ball will be held Saturday, Nov. 14, from 9-12 p. m. in the Blue and Rose Rooms of the J. W. Jones Union Building. Tickets will cost \$1.00 per couple and can be obtained from any AWS representative.

The co-chairmen for the Harvest Moon Ball are Mary Mather and Marsha Baines. Committee chairmen are: publicity, Martha Clever; decorations, Jean Kobashigawa and Jean Slykhus; tickets, Kathy

Kirksville Bulldogs Win Over MSC Bearcats, 20-8

Before an overflow crowd of 11,300, the Kirksville Bulldogs continued their winning ways over the MSC Bearcats, winning the Maryville 1964 Homecoming game Saturday, 20-8, on Rickenbrode Field.

Coach Red Wade's Bulldogs, billed a two touchdown favorite, had their hands full with the fired-up Bearcats, who have not beaten the Kirks since Coach Ryland Milner's crew did it back in 1955, 6-2. The 'Dogs have now won 29 of 44 games in the Hickory Stick battle.

The Kirksville win cut the 'Cats' win streak at six and put the Bulldogs in sole possession of first place in the MIAA race.

The Bearcats kicked off, defending the south goal. Mickey Thompson's kick soared to the Kirksville three, where Mike Richardson, all-conference halfback, hauled it in, returning 20 yards to the 23.

'Cats Open Strongly

The Bulldogs' initial series of downs proved futile as the inspired Maryville defense dug in, giving up seven yards in three attempts at the line. The 'Dogs punted against a southerly wind for 31 yards. With the ball resting on their own 39-yard line, the Bearcats shocked Bulldogs and fans alike as quarterback Leo Papas took the snap from center

Ron Brunley and lateraled to senior speedster Lonnie Irvin, who raced 31 yards around right end to the Kirks' 30. Three plays later, however, Papas fumbled the snap at the 17, where Don Chargeois recovered for Kirksville.

The defense held the upper hand throughout the remainder of the first quarter. The visitors, however, struck quickly in the second period. Sharron Washington, 183-pound speed demon, sliced off right tackle and rambled 54 yards through the Maryville secondary for the score. Substitute quarterback Dave Martin sneaked over for the two-point conversion.

Kirksville Ups Margin

After the ensuing kickoff, MSC again could not permeate the Kirks' defense. Hal Wittbrodt's punt was shortened considerably by the wind, and Northeast State took over on the Maryville 32. Martin connected with Steve Action on a 24-yard pass, then Washington raced in for the second Kirksville tally. The two-point conversion attempt failed, ending first half scoring with the Bulldogs in front by a 14-0 margin.

Papas Perks Attack

The second half action featured sturdy defenses and an impressive passing performance by Papas. Neither squad could muster a serious threat during the third quarter, although Papas kept the 'Cats within striking distance with his passes.

Kirksville, with the aid of three 15-yard penalties on only two plays, scored midway through the final period. T. J. Jackson sprinted in from 13 yards out to put it out of reach.

Papas finally got the sputtering Maryville offense into gear. At the Bulldog 48, he flipped a 31-yard toss to end Dave Ranum, then heaved a 25-yarder to Bob Albenese in the end zone, but the play was nullified by another penalty.

Papas to Maxwell

Not to be denied the touchdown, Papas drove the 'Cats to the 12, where he hit Ed Max-

well in the end zone for the TD. Papas passed to Thompson for the two-point conversion.

All told, Papas completed 17 of 34 passes, amassing 170 yards in the process. Maxwell was Papas' most successful receiver, hauling in six passes for 66 yards.

Kirksville now is in the driver's seat in the race for the loop crown, riding high with a 3-0 league slate with Springfield and Warrensburg left to play. Maryville, however, has two perfection-demanding games, one each with Cape Girardeau and Springfield.

The Cape game is here, next Saturday, an afternoon tilt, with game time being slated at 2 o'clock.

Statistics:

	M	K
First downs	16	16
Net yds. rushing	37	249
Passes completed	18/32	4/8
Yds. passing	141	97

ED MAXWELL grabs a pass from all-MIAA quarterback Leo Papas in the Homecoming game loss to Kirksville.

Moments later, the 6-4, 230-pound end, took another Papas pass for a TD.

Maxwell leads all MIAA receivers in number of passes caught.

Mick Thompson Blue Key Man of Month

Mick Thompson Blue Key Man of Month

Mick Thompson, star MSC fullback, has been named Blue Key man of the month by that organization.

According to a statement released by Blue Key, "Thompson was named because of his inspired play in the MSC Homecoming game with Kirksville."

A sophomore letterman, Thompson was named the outstanding back of the Homecoming tilt for the Bearcats. He ranks with the leading scorers and rushers in the MIAA and should be a candidate for all-league honors.

MSC Cage Mentor Terms Bearcats Improved Over '63

MSC basketball coach Dick Buckridge has announced his squad members for the 1964 season, after making the final cut last week.

Returning lettermen for the Bearcats include Bill Yeager, 6-5 junior forward; Dave Remund, 6-6 junior center; Dale Dawson, 6-4 junior forward; and Richard Woods, 6-0 senior guard. All lettered last year, with the exception of Woods who was lettered two seasons ago and did not play in 1963.

Buckridge also indicated that Mike Peterson, a sophomore letterman guard-forward is expected to come out for the squad following the completion of the Bearcat football schedule. Peterson is 6-1.

Also expected to fight for starting berths on this year's club are Dick Hansen and Kermit Goslee. Both were "red-shirted" last year. Hansen is a 6-4 forward, who attended Brigham Young University, Provo, Utah, before transferring to MSC at the start of last season. Goslee is a 6-0 guard and a former Maryville High School star. Both are only sophomores.

Five transfer players are being counted on by the MSC cage mentor, including four juniors and one sophomore. They include Joe Pierce, junior, 6-1 guard from Denver University; Bill Taylor, junior, 6-3 forward, Centerville, Ia., Junior College; Bob Marek, junior, 6-3 forward, St. Joseph Junior College; John Clements, junior, 6-5 center, St. Joseph Junior College; and Mike Simon, sophomore, 6-5 forward, Kansas State.

Coach Buckridge has also included a crop of outstanding freshmen on the roster, including five forwards, five guards, and a center.

Freshmen forwards are John Gaugh, 6-3, Iowa City; Duane Heitman, 6-3, Plattsburg; Ron Howitt, 6-4, St. Joseph Central; Bob Brower, 6-5, Lake View; and Howie Simon, 6-2, Bronx, N. Y.

Freshman guards include Elmer Klump, 6-2, St. Louis; Jay Cain, 5-10, North Kansas City; Vic Mitchell, 5-9, Kansas City Van Horn; Ron Wyse, 6-1, Richmond; and Paul Ross, 6-1, Maysville.

The lone freshman center is Don Hoover, 6-6, from Brownings, Mo.

Previewing the coming season which will get underway for MSC Dec. 1, at home, against William Jewell, Coach Buckridge stated that his team is still saddled with rebuilding problems but should be improved over last year.

Coach Buckridge stated and stressed the fact that his backline corps should be improved and taller than last year. "This was a position in which we had little height last year, as our guards were only 5-9, 5-11, and 5-11. That fact alone gave nearly all of our opponents at least a two-man height advantage and kept our guards from driving the middle and shooting short-range shots as much as we wanted. If we are to improve this year, we must come up with two or three taller guards who can still move the ball and set up our plays."

Coach Buckridge commented that he and assistant coach Tom Matthews were impressed with the strong floor-play of Pierce, Goslee, Woods, and several of the freshman backliners.

All three are 6-0 or over and

are better than average ball handlers and exceptionally strong shooters, according to Coach Buckridge. "We are especially pleased with the play of Pierce who played on the strong Denver U. team last season. He seems to have all the tools needed to be a top-notch guard."

"Woods is a strong jumper and showed signs of becoming a consistent scorer two years ago. Goslee is also coming along well, so we should be in better shape at this important position than last year."

Up front, the Bearcats look improved, too, with Yeager, Remund, Hansen, and Dawson returning. Coach Buckridge was high with his praises of Simon from K. State, along with the rookie Simon from the Bronx.

"We really didn't have much scoring power in our front line last year, although Remund had several mid-teens and 20-point games. Overall we were much too inconsistent at these positions in scoring, so we naturally are looking for a high scoring big man to go wth Remund and Yeager."

"Hansen and Mike Simon have been impressive to date and jump well, as do Remund and Yeager. We hope they can go up with the big boys around the league and get us the ball."

Remund scored at a 9.3 clip last year and led the team with an 8.3 rebound mark per game. Yeager averaged 6.4 per game and followed Remund in rebounding. Peterson surprised with an 8.2 scoring average and was over the 10-point mark several times late in the season, capping it with a 19-point game. Dawson, alternate starter, hit for a 2.4 average.

Summarizing his practice sessions to date and looking to the coming season, Coach Buckridge commented, "We will have to come up with consistent scoring power to contend with the other MIAA teams. Our guards look much better, although no one of them will probably score at the 17.9 clip that Nick Neira did. But we will still be stronger as a unit at guard."

"Our big men can all score and are strong jumpers. We should have more depth and we will have to see what happens from there."

Coach Matthews will lead the Bearcat frosh team in their improved 10-game schedule. "This improved freshman team schedule will provide our younger players with real game competition under the direct supervision of their own coach, Tom Matthews," commented Coach Buckridge.
